

Anti-Slavery Policy

Policy Statement

The board of directors of Accessrite Limited recognises that modern slavery is a crime and violation of fundamental human rights. It can take on various forms, such as slavery, servitude, forced and compulsory labour and human trafficking. All these activities have in common the deprivation of a person's liberty by another to exploit them for personal or commercial gain.

Accessrite Limited has a zero-tolerance approach to modern slavery and we are committed to acting ethically and with integrity in all our business dealings and relationships. This will be achieved by implementing and enforcing effective systems and controls to ensure modern slavery does not occur anywhere in the Accessrite operations or in its supply chain.

The board of directors are also committed to ensuring transparency in all the Accessrite Limited business activities and in our approach to ensure modern slavery does not occur in any of our supply chains. This will be consistent with our disclosure obligations under the Modern Slavery Act 2015.

We expect these same standards from all our sub-contractors, suppliers, and other business partners.

In this regard, these stakeholders are expected to comply fully with our supply chain Modern Slavery Act commitment statement which forms an integrated part of our contractual relationship with them.

The scope of this policy applies to employees at all levels, directors, officers, agency workers, seconded workers, volunteers, sub-contractors, agents, external consultants, third party representatives and business partners.
